FURNITURE RENTAL

Why Moving-In?

Large collection, fast supply!

Moving-In is the fastest growing furniture rental company of the Netherlands. With a large collection and everything in our own stock, we offer the most extensive choice for our customers. We can even deliver temporary interiors for every client within a couple of days, from basic to very extensive and from budget to exclusive. Our vision encompasses more than just supplying furniture. Passion and creativity are the main ingredients that set us apart in what we do: creating a home.

The best quality and service!

As a partner recommended by Expat Centre's throughout the Netherlands, we supply you with the best quality and service from beginning to end. With the utmost care we supply complete home interiors with rental periods between 1 month and an indefinite duration.

Thanks to Moving-In's all-in concept, you won't have to deal with purchases, delivery times, installation, transport, service, styling, removal, storage, etcetera. You just select your style, decide on a rental period and we take care of the rest! Stop worrying, start Moving-In!
